Postmaster: Send address changes to Softalk, 11021 Magnolia Boulevard, North Hollywood, CA 91601.

Subscriptions: Complimentary to all owners of Apple computers in the USA. If you own an Apple but you're not receiving Softalk, send your name, address, and Apple serial number with a request for subscription to Softalk Circulation, 11021 Magnolia Boulevard, North Hollywood, CA 91601. Softalk is totally independent of Apple Computer Inc.; sending your warranty card to Apple Computer will not inform Softalk of your existence.

Back Issues: \$2 through February 1981; \$2.50 thereafter. November and December 1980 and January 1981 issues are sold out. March 1981 issue is in short supply. Softalk will send you a back issue of your choice free (available issues only) for the name, address, and serial number of each Apple owner you can find who isn't already receiving Softalk.

Problems? If you haven't received your Softalk by the tenth of the month, or if you have other problems with your subscription, Ron Rennells or Kimberly Curling can help. Call (213) 980-5099.

Moving? Send new address and old to Softalk Circulation, 11021 Magnolia Boulevard, North Hollywood, California 91601; telephone, (213) 980-5099.

If you are a writer and would like to write for Softalk, send statement of your association with Apples and sample of your writing to the editor. Queries are also welcome; state the subject you have in mind and the theme of the potential story, and briefly outline the direction the article would take. Include a stamped, self-addressed envelope, and keep a copy of whatever you send. Questions about rates for editorial matter will be answered only by telephone.
