Exec Southwestern Data Systems Quiet and unassuming, SDS continues to turn out extremely useful tools for Apple users at extremely fair prices. AL TOMMERVIK

Two Eggs, ½ Cup Milk, and a Large Scoop of Computer Science Basic programming and microcomputer lab are required courses for home economics students at Louisiana Tech University, and the Apple recruits them.

An Apple Goes to Prison

It isn't getting out of prison that's tough, it's staying out; and one remarkable convict at Folsom Prison is out to prove computers hold the key. MELISSA MILICH

Robots!

A little history, a touch of now, and a lot of the future of mankind's mechanical alter egos.

DAVID HUNTER 62

If you can break his code and solve his cryptogram, Dann McCrary will give you his entire Apple system. ROMPlust: Where Is It Going? 48
